EDINBURGH, UK – 06 February 2009. Sapphire Systems today announced that it is expanding UK operations with a new office in Edinburgh, Scotland. Headquartered in City of London, Sapphire already has a presence in Manchester and the Isle of Man and in 2008 opened offices in New York and Los Angeles, USA.

Sapphire is the worlds leading reseller of SunSystems, an SAP Gold partner – number one for SAP Business One in Europe. Since 1986, Sapphire has offered customers wide-ranging practical expertise in selecting and implementing advanced financial accounting and business management solutions. Today the team at Sapphire provide software, services and support for 600 customers worldwide from offices in the UK and the USA.

Ian Caswell, Managing Director at Sapphire, remarked “We are pleased to continue our growth with a local presence in Scotland. We already work with organisations based in Scotland and the border area of England; having members of the Sapphire team based nearby means we are able to offer them an even better service.” He went on to say “At Sapphire we pride ourselves on providing experience and stability with best-in-class solutions for all our customers. Growing our business and market share in new territories presents the opportunity to increase revenues, which will enable us to further invest in support and implementation services that all our customers can benefit from.”
